Characteristics

See next page

This OIML Certificate is issued under scheme B

This Certificate attests the conformity of the above identified Type (represented by the samples identified in the associated reports, the description R134/2006-B-NL1-20.01 and the appertaining documentation folder R134-20.01-1) with the requirements of the following Recommendation of the International Organization of Legal Metrology (OIML):

**OIML R 134** - Edition 2006 for accuracy class 10

This Certificate relates only to the metrological and technical characteristics of the type of measuring instrument covered by the relevant OIML International Recommendation above-identified.  
This Certificate does not bestow any form of legal international approval.

*Important note:* Apart from the mention of the Certificate's reference number and the name of the OIML Member State in which the Certificate was issued, partial quotation of the Certificate and of the associated OIML Report(s) is not permitted, although either may be reproduced in full.

Issuing Authority
